

Mentor of Change

Dear All,

At the outset I would like to thank all the applicants for registering their interest in the Mentor India program. It has been an enthusiastic response to say the least.

1. Please see below for the names of the first batch of mentors for our Mentor India program.
2. Please note that the below list includes mentors that had applied on or before Oct 25, 2017, and who have been assigned an Atal Tinkering Lab to mentor at. In assigning an Atal Tinkering Lab, the Atal Innovation Mission team has tried our best to keep your preferences, areas of interest and expertise relevant to AIM, availability of mentoring hours weekly, location of nearest possible ATLs in consideration, despite the large number of applications.
3. The selected mentors will soon be receiving an email with the next steps and their expected involvement with the Atal Tinkering Labs.
4. The Atal Innovation Mission team has also shortlisted a batch of mentors for whom we couldn't match with an available Atal Tinkering Lab. The team will be reaching out to them to get them an Atal Tinkering Lab of choice to the mentor. Please note that since October 25th, a number of new additional ATL Labs have been added across the country, and these would become available for mentoring as and when they become operational.
5. In case you have any questions, please feel free to reach out to md-aim@gov.in, with subject line: "Mentor India – selected mentors".

Going forward we will announce the reopening of the Mentor India registrations with a new online application factoring the growing needs of AIM.

Congratulations to the selected mentors. We look forward to your strong support in making this strategic nation building initiative a huge success.

Best Regards

R Ramanan

Mission Director - ATAL Innovation Mission
