

ATAL TINKERING LABS NEWSLETTER

SEPTEMBER 2024

Let us have a look, at what's brewing in the Atal Tinkering Labs across the country and find out what's new!

CHHATTISGARH STATE ATL HACKATHON

The 2-day Chhattisgarh State Level ATL Hackathon (Tinkerathon) was organized by Atal Innovation Mission, NITI Aayog, with the support of the Bilaspur District Government, Smart City, and Samagra Shiksha Chhattisgarh. With over 216 student teams from 158 schools across 32 districts participating, this event was a powerful showcase of youth-driven innovation and creativity. Hon'ble Cabinet Minister MoS MoHUA, Shri Tokan Sahu, graced the event as the Chief Guest, alongside other dignitaries. A special highlight was the organization of 7 ATL Talks and panel discussions.

ORIENTATION SESSION FOR DISTRICT NODAL OFFICERS IN THE KASHMIR REGION

In order to provide district nodal officers in the Kashmir region with an in-depth orientation on the latest initiatives related to School Innovation Activities and the School Innovation Marathon an Orientation Session was held. This session aimed to familiarize officers with strategies to enhance student engagement and encourage broader school participation in upcoming innovation competitions.

ATAL TINKERPRENUER 2024 RESULTS ANNOUNCEMENT

ATL Tinkerpreneur 2024 is a flagship summer boot camp under AIM's Atal Tinkering Labs program, promising a transformative experience for participating students. Over a span of 40 days, from June to July, participants embarked on a virtual journey aimed at equipping them with essential digital skills and frameworks. Registered teams benefited from dedicated mentoring throughout the boot camp period, provided by AIM's mentors across the country under the 'Mentor India Initiative'.

YOUNG INNOVATORS LEAD THE WAY AT THE 8TH INTERNATIONAL WATER WEEK 2024

With an emphasis on showcasing their innovative solutions, ATLS from Tamil Nadu, Delhi, Jammu & Kashmir, and Maharashtra made their mark at the 8th International Water Week 2024 held at Pragati Maidan, New Delhi, from 17th to 21st September 2024, addressing critical water-related challenges such as water conservation, wastewater treatment, and sustainable irrigation, alongside global experts and organisations, promoting student-driven contributions to global water sustainability efforts.

AN ORIENTATION WORKSHOP FOR ALL DISTRICT NODAL OFFICERS FROM CHHATTISGARH

To guide District Nodal Officers from Chhattisgarh on promoting and monitoring School Innovation Activities, while exploring student innovations at the Atal Tinkering Lab, an Orientation Workshop was organised for all District Nodal officers from Chhattisgarh by Samagra Shiksha Chhattisgarh at J R Dani Girls Hr Sec School, Raipur. The workshop also featured presentations of best practices from various teachers fostering collaboration and strengthening the school innovation ecosystem across the state. They visited the Atal Tinkering Lab, where they explored cutting-edge projects by young innovators.

DISTRICT NODAL OFFICERS ORIENTATION PROGRAM OF AIM SIM OF 13 DISTRICTS

With the target to enhance understanding and implementation of school innovation activities, the District Nodal Officers orientation program of AIM Innovation activities of AIM for 13 districts of Uttarakhand was held in the State Project Office, Dehradun. The program was inaugurated by the Director General of Education in Uttarakhand, Ms. Jharana Kamthan.

REGIONAL TEACHER OF CHANGE FROM THE AIM COMMUNITY, HONOURED WITH THE PRESTIGIOUS STATE TEACHERS AWARD 2024 BY THE DELHI GOVERNMENT

Mrs. Bhavani, an inspiring educator from Navyug School, Sarojini Nagar, and a dedicated Regional Teacher of Change from the AIM Community, has been honoured with the prestigious State Teachers Award 2024 by the Delhi Government.

LAUNCH OF ATL THINK CAMP AT 2 MORE LOCATIONS- BOLANGIR AND SAMBALPUR

To help students develop a mindset geared towards innovation and problem-solving, laying the foundation for a more innovative and entrepreneurial India, the first ATL Think Camp of the Catch Them Young Program was launched in Angul, Odisha, at the host school DAV Public School, MCL, Talcher, along with partners Dhenkannal and Boudh. This camp presents an excellent opportunity to enhance students' innovation and critical thinking skills, serving as a gateway to the Student Innovation Fair 2024.
