Government e-Marketplace (GeM) is to be used for the procurement of all equipment in the Atal Tinkering Lab at your school. GeM facilitates an open and transparent market which will immensely benefit the school for the optimum utilization of the ATL grant in aid.

1. Registration on GeM

To access the portal and procure from GeM, schools would need to have a Gov/Nic ID. For schools which do not have a Gov/Nic, AIM creates and shares the email ID to the schools to enable them to procure from GeM. Please raise a query using the ATL query resolution system (http://expd.pro/cgrms-atl/register/) if you do not have the Email ID created.

Once this Email ID is created, the school would receive a text message (as shown above) on their Principal's Aadhar linked registered mobile- number (Note - For schools who had registered using the Google form which was floated initially, would have received a text message on the Aadhar linked number they'd specified in the form). Using these credentials, the schools can access their Email ID on mail.gov.in.

2. Activation of GeM ID

Please follow the following steps to activate the GeM ID:
• Log-in on mail.gov.in with the credentials received via the text message:

[Image of login page]

• Click on your GeM Invitation Link as shown below –

[Image of email inbox]

• Click on ‘Verify Me Now’
Dear Sir / Madam,

Your organisation's primary user, [Redacted], has added / invited you to join as an [Redacted] for [Redacted] on GeM.

Kindly verify this invitation by clicking on 'verify me now'.

Verify me Now

Regards,
Team GeM
• Click on OK

For Secondary user - you require the following before you can proceed:
- Government email Id – preferably designation based. In case of non-availability of the same, you need to submit your request to GeM admin for creation of a GeM email buyer email id
- Aadhaar number
- Active Mobile number to which your Aadhaar is linked – for OTP purpose

We do not share your personal details.

In case you want to rectify any of the details, you are required to get the same done through the primary user of your office.

• Verify your credentials
• Activate your GeM account.

Congratulations! Now, your GeM account is active, and you can procure equipment for your ATL. Please go through the ATL guidelines (https://aim.gov.in/guidelines-for-school.php) and GeM resources (https://lms.gem.gov.in/) to learn more about the procurement process.

IMPORTANT: Each time there is a change in Principal/ ATL In-charge, with whose details the GeM ID is created, the former Principal/ ATL In-charge or any other school staff member is supposed to update the details of the new personnel – for both the Gov Email ID and the GeM User ID. If proper handover has not been done, the school is expected to coordinate with the former personnel even after they’ve left and get the details updated as part of GeM Compliance. Schools should ensure that the GeM profile details are up to date.

3. Instructions on updating details on mail.gov.in

Please follow the following procedure to update the details –

A. Updating Profile

• If your Email ID is accessible from mail.gov.in
  a. Visit mail.gov.in
